What we did

Livelihood and women's empowerment

Stitching and embroidery training at Mendki. Training in stitching and hand embroidery was held for the women of Mendki so that they can earn an income of their own.

Hand-embroidered products. By November 2020 the artisans were making hand-embroidered potlis, pouches, masks and cushion covers.

Children and education

Online drawing competition "Beautiful Bhopal". An online drawing competition for children in three age groups was held in July 2020, with certificates for the winners.

Relief and social welfare

Food distribution during the lockdown. During the lockdown of April and May 2020 the Foundation's office-bearers and staff distributed cooked food, and later medicines and clothes, to poor families in and around Bhopal.
